1 In order to maintain a safe, civil, and supportive environment in school for students to learn and achieve
 2 high academic standards, acts of bullying, cyber-bullying, discrimination, harassment, intimidation,
 3 hazing, or any other victimization of students, based on any actual or perceived traits or characteristics,
 4 are prohibited.¹

5 This policy shall be disseminated annually to all school staff, students, and parent(s)/guardian(s).² This
 6 policy shall cover employees, employees' behaviors, students, and students' behaviors while on school
 7 property, at any school-sponsored activity, on school-provided equipment or transportation, or at any
 8 official school bus stop. If the act takes place off of school property or outside of a school-sponsored
 9 activity, this policy is in effect if the conduct is directed specifically at a student and has the effect of
 10 creating a hostile educational environment or otherwise creating a substantial disruption to the education
 11 environment or learning process.

12 The principal/designee is responsible for educating and training respective staff and students as to the
 13 definition and recognition of discrimination/harassment.³

14 The Director of Schools shall develop forms and procedures to ensure compliance with the
 15 requirements of this policy and state law.

16 **DEFINITIONS⁴**

17 “Bullying/Intimidation/Harassment” is an act that substantially interferes with a student’s educational
 18 benefits, opportunities, or performance, and the act has the effect of:

- 19 1. Physically harming a student or damaging a student’s property;
- 20
- 21 2. Knowingly placing a student in reasonable fear of physical harm to the student or damage to
- 22 the student’s property;
- 23
- 24 3. Causing emotional distress to a student; or
- 25
- 26 4. Creating a hostile educational environment.

27 Bullying, intimidation, or harassment may also be unwelcome conduct based on a protected class
 28 (race, nationality, origin, color, sex, age, disability, religion) that is severe, pervasive, or persistent and
 29 creates a hostile environment.

1 “Cyber-bullying” is a form of bullying undertaken through the use of electronic devices. Electronic
2 devices include, but are not limited to, telephones, cellular phones or other wireless telecommunication
3 devices, text messaging, emails, social networking sites, instant messaging, videos, web sites, or fake
4 profiles.

5 “Hazing” is an intentional or reckless act by a student or group of students that is directed against any
6 other student(s) that endangers the mental or physical health or safety of the student(s) or that induces
7 or coerces a student to endanger his/her mental or physical health or safety. Coaches and other employees
8 of the school district shall not encourage, permit, condone, or tolerate hazing activities.⁵

9 Hazing does not include customary athletic events or similar contests or competitions and is limited to
10 those actions taken and situations created in connection with initiation into or affiliation with any
11 organization.

12 **COMPLAINTS AND INVESTIGATIONS**

13 Any individual who has knowledge of behaviors that may constitute a violation of this policy shall
14 promptly report such information to the principal/designee.⁶

15 While reports may be made anonymously, an individual's need for confidentiality shall be balanced with
16 obligations to cooperate with police investigations or legal proceedings, to provide due process to the
17 accused, to conduct a thorough investigation, or to take necessary actions to resolve a complaint. The
18 identity of parties and witnesses may be disclosed in appropriate circumstances to individuals with a
19 need to know.

20 The principal/designee at each school shall be responsible for investigating and resolving complaints.
21 Once a report is received, the principal/designee shall initiate an investigation within forty-eight (48)
22 hours of receipt of the report. If an investigation is not initiated within forty-eight (48) hours, the
23 principal/designee shall provide the Director of Schools with appropriate documentation detailing the
24 reasons why the investigation was not initiated within the required timeframe.⁷ The principal/designee
25 shall immediately notify the parent(s)/guardian(s) when a student is involved in an act of discrimination,
26 harassment, intimidation, bullying, or cyber-bullying. The principal/designee shall provide information
27 on district counseling and support services. Students involved in an act of discrimination, harassment,
28 intimidation, bullying, or cyber-bullying shall be referred to the appropriate school counselor by the
29 principal/designee when deemed necessary.⁸

30 The principal/designee is responsible for determining whether an alleged act constitutes a violation of
31 this policy, and such act shall be held to violate this policy when it meets one of the following conditions:

- 32 1. It places the student in reasonable fear or harm for the student’s person or property;
33
- 34 2. It has a substantially detrimental effect on the student’s physical or mental health;
35
- 36 3. It has the effect of substantially interfering with the student’s academic performance; or
37
- 38 4. It has the effect of substantially interfering with the student’s ability to participate in or benefit
39 from the services, activities, or privileges provided by a school.

1 Upon the determination of a violation, the principal/designee shall conduct a prompt, thorough, and
2 complete investigation of each alleged incident. All investigations shall be completed and appropriate
3 intervention taken within twenty (20) calendar days from the receipt of the initial report.⁷ If the
4 investigation is not complete or intervention has not taken place within twenty (20) calendar days, the
5 principal/designee shall provide the Director of Schools with appropriate documentation detailing the
6 reasons why the investigation has not been completed or the appropriate intervention has not taken
7 place.⁷ Within the parameters of the federal Family Educational Rights and Privacy Act,⁹ a written report
8 on the investigation will be delivered to all involved parties and the Director of Schools.

9 **RESPONSE AND PREVENTION**¹⁰

10 The principal/designee shall consider the nature and circumstances of the incident, the age of the
11 individual, the degree of harm, previous incidences or patterns of behavior, or any other factors, as
12 appropriate, to properly respond to each situation.

13 A substantiated charge against an employee shall result in disciplinary action up to and including
14 termination. The employee may appeal this decision by contacting the Federal Rights Coordinator or the
15 person appointed by the Director of Schools.

16 A substantiated charge against a student may result in corrective or disciplinary action up to and
17 including suspension. The student may appeal this decision in accordance with disciplinary policies and
18 procedures.

19 **REPORTS**

20 When a complaint is filed alleging a violation of this policy where there is physical harm or the threat of
21 physical harm to a student or a student's property, the principal/designee of each middle school, junior
22 high school, or high school shall report the findings and any disciplinary actions taken to the Director of
23 Schools and the Chair of the Board.¹¹

24 By July 1st of each year, the Director of Schools/designee shall prepare a report of all of the bullying
25 cases brought to the attention of school officials during the prior academic year. The report shall also
26 indicate how the cases were resolved and/or the reasons they are still pending. This report shall be
27 presented to the Board at its regular July meeting, and it shall be submitted to the state department of
28 education by August 1st.¹²

29 **RETALIATION AND FALSE ACCUSATIONS**

30 Retaliation against any person who reports or assists in any investigation of an act alleged in this policy
31 is prohibited. The consequences and appropriate remedial action for a person who engages in retaliation
32 shall be determined by the principal/designee after consideration of the nature, severity, and
33 circumstances of the act.¹³

34 False accusations accusing another person of having committed an act prohibited under this policy are
35 prohibited. The consequences and appropriate remedial action for a person found to have falsely
36 accused another may range from positive behavioral interventions up to and including expulsion.¹⁴
